Notes

¹ Cases reported through December 2004 regardless of diagnosis date.

•HIV and AIDS data from BHAЕ are through December 31, 2004. Case numbers for years 2003 and 2004 may increase due to report/processing time.

•Unless individuals are known to be deceased from the NYS or NYC Vital Records or the National Death Index, they are presumed to be living.

•HIV/AIDS case data from BHAЕ are [a] all CDC-confirmed cases (for which race/ethnicity must be included), [b] all surveilled cases for which race/ethnicity is unknown, and [c] exclusive of prisoners, unless otherwise noted.
